SEASONAL PERMIT TO CAMP

Welcome!! We hope you will enjoy your stay with us!

Your cooperation in following a few simple rules will help to make everyone's stay at Tall Pines an enjoyable experience.

- **SEASONAL RENTAL AGREEMENTS** are accepted and renewed at the sole option of the owners.
- **SPEED LIMIT is 5 mph - "Crawl Speed" - DO NOT SPEED. BE CAREFUL OF CHILDREN.**
- **OCCUPANCY.** Seasonal permits include a total of 8 people who are free to come and go as they please. These names are listed on your permit and on your online check-in form and cannot be changed. EACH of those adult guests will need to register on ChippysApp under Seasonal Check-In and will sign for themselves and their children. This site may not be subleased, assigned or put into the possession of another party. In the event of an RV sale, the new owners of the RV will need Tall Pines Campground approval to camp seasonally and require a new seasonal permit. Site maintenance is the responsibility of the seasonal occupant until the site has been checked out and management has been notified of the departure. **Sorry, there are no refunds on seasonal site deposits or payments, and sites are not discounted due to early departure, late arrival or temporary closures.** Vacated and checked out sites will be returned to inventory. Rental after the site is vacated is at the discretion of Tall Pines and will not result in any compensation to the current seasonal guest.
- **VISITORS. Visitors are people whose names are not listed on your seasonal permit.** We're glad to have your friends and family come to visit and enjoy all the facilities and events that Tall Pines offers; however, **ALL VISITORS MUST REGISTER ON CHIPPYSAPP. Unregistered visitors are charged to your site at the rate of \$25/per person.** Visitor parking is allowed at any of our parking lot locations. All visitors must use the front entrance (the use of the Anderson Lane entrance is not permitted). Visitors may not bring pets into the park. YOU are responsible to make sure that your guests understand and follow the rules. Visitors unable to comply with campground rules will be asked to leave the park and will not be allowed to return.
 - **Are my Visitors Free?**
Anyone whose name is listed on your permit is free to come and go as they please. Anyone whose name is not listed on your permit (up to the maximum of 8 people present at a single time) is \$5 for a day visitor or \$7 for an overnight visitor. Events of more than 8 people are considered a special event and are priced accordingly. All events must be pre-registered and approved. **ALL VEHICLES MUST HAVE A CAR PASS.**
 - **What is a special event?** State law says that sites can accommodate a total of 8 guests (including seasonal occupants present) and that times when you will have more than 8 guests at your site are considered a special event. Rates for special events are \$6 per person for a day guest and check out time is at 9pm. Overnight special events are not allowed. Special Event Visitors should register on ChippysApp under Visitor Reg. (not the Seasonal tab). Pre-approval for special events is required.
 - **How many total people can be at my site?**
State law states that the total occupancy for day use is 8 people per site. We do make exceptions to this rule for large families with 2 adults and their children or for special events. Please let us know if you plan to have additional guests or are hosting an event.
 - **Do my visitors have to sign in?**
All Visitors who are not listed on your permit have to register EVERY time they come into the park (whether they have their own vehicle or are riding with you). Visitors can register on the ChippysApp Seasonal tab or online at <https://tallpinescampgroundny.com/seasonal/>. Visitor names and vehicle information should be included in their online registration.
 - **How late can my visitors stay?**
Day visitors may arrive between the hours of 8am and 9pm. Check out time for day visitors is 10pm. Overnight visitors need to check out by 2pm of the following day. Visitors staying past 10pm are considered to be overnight visitors and are \$7pp. Special events end at at 9pm.
 - **Do I have to sign in each time I come?**
People registered on your permit have already signed in on a seasonal form and do not have to register each time they come in (only the first time) and are free to stay for the day or overnight. Registered guests on the seasonal permit should have a Green Seasonal Car Pass
